

**MESSAGE THERAPIST** position available @

An exciting opportunity awaits the successful candidate, as Lifestyles NMT is on the hunt for a passionate, motivated and driven, massage therapist to join its highly qualified, vastly experienced and friendly, Team of Professional Massage and Neuromuscular Therapists.

The ideal candidate will hold a minimum Level 6 Diploma in Remedial Massage, equivalent or higher. Hold a current First Aid certificate, preferably be registered with MNZ, and be passionate about our industry and furthering your career.

Lifestyles NMT has been established for over 20 years in West Auckland. The Clinic operates 6 days/week. Has a large, loyal client database. Uses only the highest quality equipment and linen. LNMT has an exceptional reputation among other health professional modalities and medical practitioners within its referral network and has been nominated for NLBA Superb Business Award in 2019 and 2020.

The Clinic specialises in soft-tissue therapy, wellness and exercise rehabilitation (in our very well-equipped, in-house rehabilitation gym), for all walks of life. With its client population receiving soft-tissue treatment - ranging from high performance athletes, to pre / post-surgical treatment, stress management, pregnancy and post-natal massage, to patients suffering from chronic soft-tissue pain and dysfunction.

The position is a contract role, with a current client database. You will receive on-site mentoring and off-site coaching as part of your contract. Days available are either a Thursday or Friday and Saturday, minimum of 2 days.
